[NON-MARKETING MESSAGES]

Mobile Privacy Policy

Padder Health Services, LLC values your privacy and are committed to protecting your personal information. This Mobile Privacy Policy applies to all users of our mobile applications and outlines how we collect, use, and safeguard your information.

Information We Collect

Padder Health Services, LLC may collect information including, but not limited to, your name, email address, phone number, address, and other personal information you may provide when you register for patient care.

How We Use Your Information

Padder Health Services will use your information to inform you of appointments.

Data Sharing

Padder Health Services, LLC will not share your personal information with third parties for marketing purposes. Specifically, no user cellular phone number will be shared with third parties or affiliates for marketing/promotional purposes. However, we may share your SMS opt-in or consent status and phone number with third parties that assist us in providing messaging services, such as platform providers, phone carriers, and other vendors involved in delivering text messages. All other personal data will be used internally to support your engagement with Padder Health Services, LLC and only accessible by authorized Padder Health Services, LLC personnel.

Security Measures

Padder Health Services, LLC implements robust security measures to ensure the confidentiality of your information. These include secure servers, data encryption, and regular security audits.

Your Rights

You have the right to access, modify, or delete your personal information at any time. To exercise these rights, please contact us at 301-560-4747.

Opting Out of Text Notifications

If you have opted in for our text message alerts and updates, you may opt out at any time. To stop receiving text notifications, text 'STOP' to the number provided for this service. Alternatively, you can also reach out to us at portal@padderhealth.com to be removed from our Short Message Service (SMS) list.

Changes to This Policy

We may update this Mobile Privacy Policy periodically. Any changes will be posted on this page.
